# Adding a notice name & date fields (completed)

The image shows a tablet held by two hands, displaying the 'funeral-notices.co.uk' website. The website has a white background with a pink tree logo on the left. The header includes the site name, tagline 'Announce, share and remember forever', and a user greeting 'Welcome Neil - you are logged in as a Business user'. A grey navigation bar with the word 'Home' is below the header. The main content area is titled 'Notice title and date fields' and includes instructions: 'Please enter the notice details, starting with name. Clicking confirm to progress through each stage.' Below this are four input fields: 'Richard', 'Dunn', 'Jambo', and '10/02/78', followed by a date field '12/05/20' and a pink 'Confirm' button. A preview box shows the resulting notice: 'The obituary notice of Richard (Jambo) DUNN' with the dates 'Nottingham, 10/02/1978 - 12/05/2020 (Age 42) Published: Online'. A green 'Back' button is at the bottom left.
